

PTFA Fireworks – Sunday 4th November 2018

Thanks for supporting the PTFA and St Peter's Junior School on our fireworks night raising funds for projects within the school. Here are a few guidelines we would like to bring your attention to:

- It's dark! Please bring a torch and stay safe
- Entrance is by ticket only
- As much as possible please walk to the event and park sensibly. Thanet Wanderers car park will be empty at that time.
- Entrance is the front St Peter's gate only, exit will be via both St Peter's and Callis gates.
- Strictly no alcohol to be brought in or consumed on site
- Children to be accompanied by an adult over 18 and are your responsibility at all times
- The play equipment is strictly out of bounds
- No dogs
- No bikes / scooters / heelies
- Please wear sensible footwear, the grounds may be wet!
- Please keep pushchairs to a minimum

- Listen to the Marshals at all times, they are there to keep you safe!
- No sparklers or any other fireworks at any time
- Please do not cross the marked out barriers
- No smoking or vaping within school grounds
- Please use rubbish bins provided

And finally....

- Enjoy!!! Have fun with your family

Contingency Planning

If we have to postpone fireworks on Sunday due to poor weather (and this will be decided by the Fireworks Company on Sunday afternoon), we will make all parents aware via text as soon as we know, and will display signs outside the front gate for the public to be made aware (and post on social media).

We hope this will not be the case, and the forecast so far looks positive, but if so, a Christmas display will be arranged instead.

Thank you!
